

## 2018 Sustainability Highlights

### NEW ZEALAND

#### Continuing a path of progress

CHEP's purpose is to connect people with life's essentials every day. Our work has always eliminated waste throughout the supply chain. It protects our forests and reduces landfill. By collaborating with our customers, we can do even more to solve shared challenges – from reducing transport miles to fighting food waste and promoting sustainable use of the world's forests. As pioneers in the circular economy, CHEP contributes to a more sustainable future.
