THANK YOU

FOR HELPING US FIGHT HUNGER IN AUSTRALIA IN 2018

FOOD POVERTY IN AUSTRALIA

More than 4 million Australians have experienced uncertainty around where their next meal is coming from in the last 12 months and they are not who you'd think. At least once a week, one in three of food insecure single parents go a whole day with out eating.

By partnering with Foodbank you are helping to support over 2,600 front line charities, local community organisations and 2,000 schools across the country.

IN 2018 FOODBANK SOURCED

77 MILLION MEALS
211,000 MEALS A DAY
