

Dear ,

Re: CHEP services into ALDI

As a valued customer, we would like to take the opportunity to share with you the outcome of the recent ALDI tender. We are pleased to advise that we have successfully been awarded the continued supply of CHEP timber pallets, display pallets and beverage trays.

Regrettably, we will no longer be supplying CHEP Reusable Plastic Containers (crates) for the ALDI supply chain after **1 August 2019**. Until then, it's business as usual.

Over the coming period, we'll be working on a transition plan with ALDI and we will look to inform you through this process.

We would like to take this opportunity to thank you for your continued support of our business, we value our relationship with you and we're looking forward to providing you with continued high levels of service.

Should you have any queries in the meantime, please contact your local Fresh Business Relationship Management (BRM) or call 13 CHEP (13 2437).

Yours sincerely,

Javier Sanchez
